**ORDER:-**

In his letter 1<sup>st</sup> read above, the Secretary, APREIS, Hyderabad has submitted that the APR School (Boys), Keesaragutta, RR Dist is functioning in its own buildings. The present strength of the students is 374. The existing 5 dormitories are not sufficient to the present strength as these are accommodating only 270 students. Another 2 dormitories are required. The existing Kitchen and Dinning hall was constructed 25 years back with AC sheet roofing and these are in dilapidated condition. Hence new Kitchen and Dinning hall with RCC roof is required. The available Principal quarter is with AC sheet roof and it requires major repairs. Instead of taking up repairs, it is better to construct a new one. In addition to existing 12 staff quarters with AC sheet roofing another 5 staff quarters with RCC roof are required. There is no compound wall to the School. To protect School land and stop encroachments compound wall is necessary as Keesaragutta is also a Pilgrim place. Hence above works are very much essential. The Secretary, APREIS has requested for providing above additional accommodation and other facilities to the APRS (Boys) Keesaragutta.

2. In her further letter 3<sup>rd</sup> read above, while furnishing the detailed estimates, the Secretary, APREIS has requested to release funds for a tune of Rs. 306.00 lakhs towards construction of additional infrastructure facilities to APRS (Boys), Keesaragutta, R.R.District.
